I am Good, can be Great with the right Direction. I began acting in the Theater while overseas as a child. I was 8 when my mom put me in my first play. Although Theater trained thru college, I have always aspired to work in TV & Film. I learned so much working background on Disney's Live Action re-make Lilo & Stitch, CBS's NCIS Hawaii & NBC's Magnum PI. As I continue to develop my skills & work on my craft my goal remains to co-star in major featured films this year. Follow me @The_Donnie_Van for the reel me.
