Experience

Cab Castings | Atlanta, GA
Background Extra
09/2022 - 09/2022

- Followed instructions from directors and assistant directors throughout the day of shooting.
- Provided background atmosphere while filming was taking place by engaging in conversations with other extras or providing appropriate reactions when necessary.
- Stayed in character throughout the entire shoot and adhered to costume requirements as specified by production staff.
- Kept up with long days of shooting on location or at a studio without complaint.
- Collaborated with other extras to create an immersive environment for each scene being shot.
- Memorized directions quickly so that no time was wasted during filming process.
- Remained professional at all times while interacting with cast, crew, and production staff.
- Adapted easily when changes were made during filming process due to unforeseen circumstances.
