Summary of qualifications:

I have experience in acting from high school. My elective course of study was drama. I also have college experience from recent plays at my school. My most recent project was with Vampire diaries, I was featured as a sorority girl on a small part of a scene. I enjoy being in front of the camera, and I'm a very hard worker. Singing is a big part of my life also. I have been singing since I was a kid. I sing for many events, and for entertainment. Being in front of a camera is what I love. I catch on very fast and I am a natural in front of the camera. I also have modeled for Dillard's twice, and have modeled for designer wear clothing in February.
