Jessica Daigle, MD, FAAP
Board-Certified Pediatrician
Neonatal & Pediatric Hospitalist
225.405.0771 | jdmdhealth@outlook.com

Dear Hospital Administration,

I am a board-certified pediatrician with over a decade of experience providing care across Level I newborn nurseries, Level II NICUs, inpatient pediatric floors, and outpatient pediatric settings. My work has included attending deliveries, managing newborns with varying degrees of complexity, and caring for acutely ill children requiring hospitalization.

Throughout my career, I have held privileges at more than 20 hospitals nationwide, consistently adapting to diverse clinical environments while upholding a high standard of care. I am proficient in a full range of neonatal and pediatric procedures and collaborate effectively with multidisciplinary teams to ensure safe, efficient, and compassionate care.

Whether supporting families through routine newborn transitions or managing critical care scenarios, I bring clinical excellence, clear communication, and a steady, reassuring presence to every assignment.

The following curriculum vitae outlines my hospital affiliations, medical licensure, DEA registrations, training background, and scope of pediatric practice. Thank you for your time and consideration. I look forward to the opportunity to support your pediatric patient population.

Sincerely,

Jessica Daigle, MD, FAAP

- Phoebe Sumter, Americus, GA: December 2021 to February 2022
- NASH Hospital, Rocky Mount, NC: September 25, 2019 to October 1, 2019.

February 2016 – April 2022

Pediatric Medical Group of GA

Pediatric is a national organization that hires a range of pediatric specialists. I was contracted to work as a neonatal hospitalist at Wellstar Spalding Regional Hospital in Griffin, GA. I worked 26 weeks per calendar year as mostly 2 weeks on and 2 weeks off. My duties include routine newborn care to attending high-risk deliveries, admission to and care for newborns in the Level II NICU where I managed infants on CPAP, HFNC, mechanical ventilation < 24 hrs, antibiotics, phototherapy, IVFs and enteral feeds. I performed procedures such as circumcisions, lumbar punctures, excision of skin tags, UACs/UVCs, IVs, and endotracheal intubations.

- **Medical Director for NICU at Spalding Regional** from January 2020 to February 2022.
 - Assisted with policy and procedure of the unit as far as medical practice and operations and

nursing education in conjunction with the nursing director.

- Constructed lunch and learns and YouTube education for nursing staff on different topics regarding neonatal care.
- **Pediatric Service Line Lead at Spalding Hospital** from 2018-2022 as part of Wellstar Health System. I attended quarterly meetings to make sure Spalding was compliant with other Wellstar facilities regarding pediatric care and discussed issues/updates at Spalding. I was also on the Wellstar Neonatal Committee where we discussed our nurseries and NICUs and implemented standard of care with protocols, etc.
- **Peer Review Committee**, Wellstar Spalding Regional, January 2021 to April 2022.

November 2015 – present

LT Medical, LLC

Locum tenens company out of Alpharetta, GA. I work locum tenens assignments as a Neonatal/Pediatric Hospitalist. Duties range from rounding on newborns in nursery/NICU and pediatric inpatients to attending obstetric deliveries (C-section and high risk) and performing a range of procedures as necessary and managing and transferring patients who required higher level of care.

Hospitals:

- Berwick Hospital, Berwick, PA – December 2015 to August 2017. Worked in Level 1 Nursery and on the inpatient floor performing duties as described above. **OB unit closed August 2017.**
- CHS Stanly Regional Medical Center, Albemarle, NC -August 2016 to Feb 2019. Work in a Level 1 Nursery. I also worked with PA and Pediatric NP whom I taught and I also supervised their work with patients.
- Maria Parham Health, Henderson, NC – May 2018 Only. Similar to work at CHS Stanly
- Anderson Regional Medical Center, Meridian, MS –January 2019 – February 2019. Worked as a pediatric hospitalist.
- Medical Center of South Arkansas, El Dorado, AR -July 3-7, 2019. Similar work to CHS Stanly.
- Greenbrier Valley Medical Center – February 2020 to December 2020. Neonatal/Pediatric hospitalist work.
- Astria Toppenish Hospital- July 2022 to December 2022. Neonatal/pediatric hospital work.
- Samaritan Hospital, Moses Lakes, Washington
- Phoebe Putney, Albany, GA
- Atrium Health Beverly Knight Olsen, Macon, GA
- Tift Regional, Tifton, GA

September 2015 - November 2015

Gap: Transitioned from fellowship to begin working During this time, I moved from Baltimore back to Atlanta area in preparation to begin working for Locumtenens.com and Pediatrix.

Speaking/Professional/Teaching Experience*

June 2025	GOLD Neonatal Online Conference Keynote Speaker “The Power of Language: How Empathy Transforms Communication and Care in the NICU”
September 2024	National Association of Neonatal Nurses (NANN) 40th Annual Conference. General Session Speaker. “Cultivating Compassion: Enhancing NICU, Family Experiences and Addressing Bias in Healthcare.”
September 2020- April 2022	Neonatal Leadership Group – AAP SONPM • Specific group in the section geared towards leadership development in clinical leaders. I was a part of a workgroup that focused on Advanced Communication.
March 2018	NeoHeart 2018 Conference, Cook Children’s, March 22-24. • Submitted a challenging clinical case for poster presentation and was accepted. Presented a poster titled “Multiple Cardiac Anomalies in a Neonate Diagnosed with DiGeorge Syndrome.” Poster presentation was on March 23, 2018 from 5-7 PM.
July 2011 – August 2015	Presentations • Fellowship: I prepared and presented presentations concerning quality improvement, morbidity and mortality, and participated in the weekly Ethics and Patient Care Conference where we discussed patients with complex medical, social and ethical cases. • Residency: I prepared and presented different case reports/presentations on pediatrics cases and presented at a Pediatric Grand Rounds.

Research Experience

July 2020	AAP National COVID -19 Registry – Section on Neonatal Perinatal Med • Was the principle investigator for Wellstar Health System, tracking COVID-19 positive mothers in 7 hospitals.
November 2014 to August 2015	University of Maryland Medical Center • As a first-year fellow, began working on a project centered around use of swallow study in preterm infants.
October 2011 – June 2014	Morehouse School of Medicine, Community Pediatrics Residency Program

- Performed a Quality Improvement Project with Drs. Makia Powers and Nika Howell. Project titled: “Pediatric Oral Health Patterns in Urban and Suburban Practices.”
 - Surveyed parents about their kids’ oral health practices in private and public pediatric clinics to determine what quality improvement measures can be taken to improve oral health.

Extracurricular Activities

January 2021

Psi Alpha Omega Chapter of Alpha Kappa Alpha, Inc.

- Joined local chapter to participate in sorority initiatives in the community. Work on committee to help young black females with college preparation, etc.

Spring 2019

Assistant Soccer Coach for AFU South Rec Team

- Assisted with coaching my son’s rec team and performed manager duties as well.

Fall 2014

Diverse Medicine Inc., Web-based Mentoring

- I mentor students/colleagues who desire career guidance from undergraduate education to postgraduate education and even in the workforce.

Fall 2012 – Fall 2014

March of Dimes, Program Services Committee, Georgia Chapter

- Duties included actively participating in committee meetings and conference calls, annual review of perinatal outcomes, assist in developing the Program Plan (annually), and more.
- Focused on helping the Program Services Coordinator, Kesha Clinkscale, with the mission to prevent early elective C-sections if not medically indicated. Also planned to help the committee reach out to counties other than Fulton County, who have high pre-term birth rates and need funding to further the cause of the March of Dimes.

Work-related Skills

Procedural: Neonatal intubations, lumbar punctures, umbilical arterial/venous catheter placement, arterial sticks, peripheral IVs, nasogastric/orogastric tube placement and circumcisions, pediatric intubations and urgent care procedures such as laceration repair, reducing nurse maid elbow, etc.

Administrative: Microsoft Office (Word, PowerPoint, Excel);

EMR: EPIC, Cerner/Powerchart, Meditech; **Certifications:** NRP, PALS

Professional Affiliations
