Professional Biography I am 17 year old senior in High School and aiming to pursue a career in the arts in all areas of performance. I dedicate hours daily to vocal preparation under the direction of coaches from the Lawrence Vocal Studio, which includes clients like Lady Gaga, Mick Jagger, and Bono. I work on writing music and strengthening my vocals while continuing to enhance my acting skills. I also collaborate and performs with Kids Rock for Kids, an international group, and I am actively involved in producing and writing original music with a music producer. I love cross country running and dedicate time to my studies, maintaining great grades in all my honors classes.
