KATHRYN TAVARES

ABOUT ME

I am a passionate and dedicated actor who has a strong foundation in both stage and screen performances and bring a wide range of skills to every role including improvisation, and dialect work, and have training experience in voice and movement. During high school, I was honoured with two grade-level Best Actress drama awards, and at my 2024 graduation I was awarded with the Fine Arts Drama Community and Theatre Award. I thrive in collaborative environments, and continuously seek new opportunities to grow, challenge myself, and bring focus, energy, and professionalism to every project I take on.
