

A woman with dark hair, wearing a vibrant orange, white, and teal patterned short-sleeved shirt, is looking down at a large, crumpled orange garment. She is in a room filled with various items, including a black and white patterned bag, a blue bag, and other clothing items hanging in the background. The scene is dimly lit, with a warm, slightly desaturated color palette. A semi-transparent red banner is at the bottom of the image.

ABOUT US

Kutlwano Lubeko self-made artist with over 6 years experience in the fashion industry.

In the beginning of times Kutlwano was part of the biggest bands **Africa Rhythm Productions** whereby they worked with big brands like **CNN Africa, 100% Youth SABC1, Bash Uhuru, Elle Deco** and many more.

Kutlwano currently worked with a couple of big production houses, such as **Leburugraphy Pictures, Media Sync, Grandja Media** and **WTG Media House** as a HOD Costume design/Wardrobe Stylist and has been working with the productions for 3 years now.

Kutlwano has shot over 8 movies for Mzansi Magic, feature film for Amazon Prime, two indie features and one Showmax feature film.

Tshepo Jozi Mokgosi is also a self-made artist who has been in the entertainment industry for 7 years as a stylist and musician.

We both have been working together for 7 years now since from **African Rhythm**, we began to work together at **Leburugraphy Pictures** at the same time. It has been 2 years now as my assistant with all the movies we've worked on.
