

PENNY SALCEDO

PROFESSIONAL SINGER/PERFORMER. ACTRESS.
HOST/EMCEE. VOICE OVER. CONTENT CREATOR

Dancing and Acting were actually my ever first love when I was a little girl.

Schools in my primary and secondary years were my biggest platforms to express my creativity and passion for dancing and acting. I was so into it, I would incorporate dancing and acting even for as simple as playing with my playmates. Until I realised at the tender age of 9 I discovered and realised I could also sing. And the rest was history. Altho singing has mainly played a big role in my life, but my love for acting and dancing never left my heart. I just never really gotten any more opportunities or chance at all to be able to showcase those side of my talents. The latest time I did acting was when I represented Hong Kong for the 2nd time at The 19th Annual World Championships of Performing Arts held in Long Beach, California, USA where Yours Truly won as a multi-medalist for solo singing, and my very 1st win in solo acting with a silver medal. And the rest is history with myself being active in singing and performing, while my passion for acting & dancing remain quiet, yet are still all up and glowing, and ever ready, just waiting for the next opportunity to open.

Enclosed is my resume which provides further details about my experience and qualifications. I would be most delighted to discuss how my skills range in line of your casting.

Thank you for considering my application. I look forward for the great possibility of working with you.

Yours sincerely,

Penny Salcedo
