About me

Energetic and bilingual performer with 4+ years of acting and communication experience, blending artistic presence with customer-focused service. Deeply connected to Latinx culture and fluent in both English and Spanish, I bring contagious enthusiasm, cultural fluency, and exceptional hosting skills to every environment. Passionate about creating unforgettable brand experiences that connect with people authentically.

A Personal Note

As someone who recently started building my career in the U.S., I may not have an extensive job history yet — but what I bring is unmatched passion, dedication, and soul.

I take pride in how I show up: with presence, purpose, and a deep love for music, culture, and connection.

I believe in putting my full self into every experience, especially ones that uplift communities and celebrate identity.
