Mobile: 07988 015277

PROFILE:

I am a hardworking 16 year old with a strong academic record, currently studying A levels at Beechen Cliff School. I have good interpersonal skills, am articulate and able to communicate clearly. Having used a variety of apps on a regular basis for both school and personal, I am digitally adept. Good at thinking on my feet, I am punctual, reliable and a good team player.

WORK EXPERIENCE:

Rainbows Volunteer

St Alphege's Rainbows

I volunteered at my local Rainbows group for my bronze Duke of Edinburgh award. Afterwards, I continued to help out for an extra few months, where I organised activities for the children, keeping them both occupied and supervised.

Work Experience Placement

Egg Theatre

I was a participant in the Egg Theatre's work experience program and obtained an understanding of multiple roles in theatrical employment. This helped develop my creative and problem solving skills as they allotted challenges for us to overcome and resolve.

EDUCATION:

Beechen Cliff School and Mixed Sixth Form	A Levels	Biology Geography History Classical Civilisation	Currently enrolled
Hayesfield Girls School and Mixed Sixth Form September 2020 to June 2025	GCSE	English Literature English Language History Geography Biology Sociology Maths Physics Music	9 9 9 9 9 9 8 7 7

OTHER:

At school, I have taken on multiple roles of responsibility as a prefect and a school year representative. I play the violin and am currently studying for my Grade 6, also playing in the Hayesfield and SPO orchestras. I am involved in the school theatre productions and have achieved Grade 6 LAMDA.
