Work Experience

Acupuncturist and TCMP – Self Employed

January 2024 – Present

Registered Acupuncturist and Traditional Chinese Medicine Practitioner, registered and in good standing with the CTCMPAO.

Rehab Science Health Centre – Clinic Manager

January 2020 – Present

Office administration and front desk management. Assist practitioner with patient care and provide adjunctive treatment (i.e. IFC, ultrasound, exercise protocols, clinical testing, etc.).

Private Tutor – Self Employed

September 2010 – Present

Specializing in assisting students with complex mental health issues, develop individualized lesson plans, communicate progress with student, parent, and teacher, create learning guides and study aids, offer support and guidance specific to needs.

Centre for Health and Rehabilitation – Clinic Manager

March 2017 – January 2020

Office administration and front desk management. Assist practitioner with patient care and provide adjunctive treatment (i.e. IFC, ultrasound, exercise protocols, clinical testing, etc.).

Camp Imagination – Choreographer & Co-Director

July 2010 – August 2017

Create and teach unique choreography specific to the skills of the students in after-school programs and summer camp intensives. Facilitate one-on-one, small and large group rehearsals with students aged 4-18. Organize group activities and cast bonding experiences. Collaborate with director on artistic vision, costuming and set design. Work with students on individual skill development and personal goal coaching.

lululemon athletica – Educator

August 2014 – February 2017

Educated our guests on our product, our culture, and our community. Facilitated authentic conversations with the guests to determine their needs and how our store and company can cater to that. Collaborated on the organization and execution of community-based events (i.e. pilates and yoga classes, community outreach and fundraising events) to foster relationships between our staff and our community.

Camp Oh La La (French Immersion Camp) – Counselor

July 2010 – August 2014

Facilitated activities for students to be immersed in the French language. Created opportunities for exposure to the French language outside of the classroom through French immersion activities and cultural experiences such as food, art, literature and film. Supervised children aged 3-6.
