Summary

Hi there, my name is Shikirra! I'm someone who believes in the power of a warm smile and a genuine connection. With a natural inclination towards kindness and compassion, I approach every role with dedication and a commitment to bringing out the best in myself and those around me. I'm a true people person who thrives on working with others who share my enthusiasm and hard work. My passion in working with people fuels my drive to adapt and apply my skills in meaningful ways, always aiming to contribute positively to any team or project. I bring my full energy and heart to the table, eager to make a difference and support a vibrant, collaborative environment.

Career history

Education

Completed Year 12 at Grace Lutheran College

Graduated Nov 2024

Dynamic and results-driven film and media with a robust background in both creative and leadership capacities. Leveraging extensive student experience in film production, I have honed my skills through hands-on roles and strategic oversight. As a past Film Captain, I led teams with a clear vision and collaborative spirit, driving projects to successful completion while fostering innovation and excellence. My blend of industry knowledge for my age and leadership acumen positions me to contribute effectively to high-impact projects and drive creative initiatives forward.

Certificate III in Visual Art from Through Grace Lutheran college VET program
Finished 2024

This course is designed to provide learners with knowledge and skills for work in the visual arts and contemporary craft industries. This includes both traditional and electronic based skills. During this course students gain fundamental skills and underpinning knowledge in drawing, painting, ceramics, printmaking, design and digital imaging.

Duke of Edinburgh Award (Bronze Level)
