**Profile:**

I am in my first year of college doing level 3 Performing arts . My goal is to be an Actor on the stage and on screen. In 2024 I became a Young leader and worked with a range of children and young people from the ages 5-18 across the different activities. I have been taking part in Stubbers Activity Center since I was in Year 2. I really enjoy the activities such as climbing, paddle boarding, jet skiing, power boating and bush craft. Over the years I learnt many new skills, upskilled my knowledge and gained confidence which I use on a regular basis in my day to day life. Also, in 2024 I did my work experience in the Entertainer In Romford where I worked in a retail environment with excellent customer services. As well as doing my GCSES I also do outside activities such as basketball and athletics. I've got good interpersonal skills, good listening skills, good focus skills , good team working skills and communication skills. I believe this allows me to be a good candidate for this role.

Expires May 26th 2026

### **Work Experience:**

The Entertainer BEP Group No. 01708 436440

01/07/24 - 05/07/24

I worked at the Entertainer in Romford Essex for my Year 10 work experience. It was a week long 10am till 3pm placement, I worked with a team of three members of staff and two team leaders. We were set tasks during a team meeting at the beginning of the day. On my first day I shadowed a team member, they showed me where the stock was kept and how to stack shelves correctly. I was trained on e-safety as well as house keeping and personal safety. On the third day I was trained on customer services and quality assistance where I provided customers with good product knowledge and the highest customer service skills. A part of my role was to do demonstrations of items (toys) for the customers which I found enjoyable and realised I was quite good at this. Due to the store having items for children of all ages, I had to deal with parents and children in various states of happiness. I really enjoyed my time at the Entertainer.

Young Leader At the Stubbers Adventure Center  
Ockendon Road, Upminster, Essex RM14 2TY

17/6/24 - 21/9/24

I was a young leader at Stubbers I worked during the summer holiday in Year 10. My role was to support the instructors with the children on a range of activities throughout the sessions during the day. My day started at 8:30am and finished at 5:30pm. In the morning after signing in, we had a team briefing assigning everyone's roles for the day. I was put with different instructors everyday so I had a good understanding of the activities over the course of my time at Stubbers. The age range of the young people I worked with was 5 years old to 18 years old. Even though I was only 15 years old at the time, I was not daunted by the fact I was dealing with people older than myself. I understood the task at hand and my role as a young leader to support my colleagues.

### **Hobbies & Interests:**

I achieved a few sporting goals this year including participating in the London Youth Games LYG 2025 for Redbridge In Diving, where I gained a Gold medal in the individual class and a

silver in the Borough event. I am registered with England Athletics via Ilford Athletics Club, where I compete in competition in the adult and junior events on a weekly basis. I passed my personal best at javelin, high jump which are my chosen sports and shot put. My other interest and love is the creative arts. I attend East London Theater School for Drama every Saturday during term time, and I have participated in their last 3 performances. As for music, I have attended the Havering Music School since I was in Year 2 and still attend twice a week, as well as attending all their performances in the music school and on stage at Queens Theatre. I have had classes in the following:

- Drum Kit
- Guitar
- SMC GM Grade 3 Theory
- SMC Guitar Ensemble
- WMC Percussion Group
- SMC Advanced Percussion Group

London Youth Games (LYG(2024)) for Redbridge in Basketball and Volleyball
