PROFESSIONAL SUMMARY

Dedicated and compassionate vocal coach specializing in teaching children and young performers. Skilled in creating a supportive, fun, and engaging environment that encourages children to explore their voices, build confidence, and develop solid vocal techniques. Expertise in adapting lessons to suit the developmental needs of younger students, with a focus on vocal health, proper technique, and age-appropriate repertoire. In addition to vocal coaching, I bring a strong foundation in musical solfège and piano, allowing me to enhance students' overall musical literacy and ear training, helping them develop not only their vocal abilities but also stage presence and musicality. Passionate about fostering a lifelong love of music while ensuring that students' voices grow in a healthy and sustainable way. Committed to creating a positive, patient, and nurturing atmosphere that makes learning enjoyable and empowering for young singers. Experience with children of all ages, individual or group lessons and special needs children.

WORK EXPERIENCE

Vocal coach

Creative Music Center by Joaquin Garli | Ibiza, Spain | Septiembre 2023 - Junio 2024

- Teaching Vocal Technique: Instructing children on proper singing techniques, such as breath control, posture, pitch accuracy, and vocal warm-ups, while ensuring their voices are used healthily to avoid strain.
- Developing Musicality: Helping children understand musical elements like rhythm, melody, harmony, and dynamics, and teaching them how to apply these to their singing.
- Building Confidence: Encouraging children to feel confident in their vocal abilities, giving positive reinforcement, and creating a comfortable space for them to express themselves musically.

SKILLS

- Project Management
- Problem Solving
- Fast Learner
- Self-motivation
- Creativity

- **Repertoire Selection:** Selecting age-appropriate songs that suit the child's voice and interests, while also providing variety in musical genres to broaden their musical experience.
- **Performance Preparation:** Coaching children for performances, recitals, or competitions, helping them practice not only the song but also stage presence, expression, and audience engagement.
- **Fostering Emotional Expression:** Teaching children how to connect with the lyrics and emotions of a song, and how to express those emotions vocally and through body language.
- **Personalized Lesson Plans:** Creating customized lesson plans that cater to the child's age, skill level, and interests, ensuring that each session is both educational and enjoyable.
- **Promoting Healthy Vocal Habits:** Encouraging children to take care of their vocal cords, avoid straining their voices, and maintain proper hydration and rest to protect their vocal health.
- **Monitoring Progress:** Assessing the child's vocal development over time and providing constructive feedback, adjusting lessons to suit their growth and challenges.

Piano teacher

Self Employed | Cambridge, United Kingdom | Septiembre 2022 - Julio 2023

- Delivering private lessons to children of all ages, from beginners to advanced learners.
- Assessing students' progress and adapting lessons to meet their individual needs and goals.
