about

I am a performer. I have been using my body as a tool to perform and express myself for 10 years now, artistically, creatively, and professionally. From a background in professional domination, music, and storytelling, I bring everything to the screen and stage every time I arrive.

education

2016-2019 | BFA Creative Writing
Chapman University

special skills

- sexual performance
- musical based performance movement (not a trained dancer though)
- hypermobile/flexible
- creature modeling/acting

performance-based experience

2024

music video

king by boypop

Debut music video for the first single, *king*, for my artist project, boypop. Directed by Ayesha Fernandez, shot by Lu Mendoza and Andrea Hornedo, edited by Cosmo Rud (full credits on youtube and instagram @boypopmusic).

2022

music video

HATEFUCK by pussy riot & slayyyter

Background character in Pussy Riot & Slayyyter's music video for their song, HATEFUCK, which included sharing an on-screen kiss with another background character. Directed by Danin Jacquay, shot by Paisley Zerr, edited by Nadya Tolokonnikova (full credits on youtube).

2019-present

adult entertainment

adult content, domination, & tantra

I have experience in various fields in the adult industry, so am quite comfortable in my skin on camera. I won't include these videos in my reel, but have experience being sexual and moderate acting on camera, particularly with my BDSM scenes, which are quite role play-based, so I embody various personas in that space.
