WORK HISTORY

- Work Experience** 07/2022 - 07/2022
- PAB Architects** - Leigh, Greater Manchester
- Created professional, to-scale computer models using top-notch software to bring designs to life, and to communicate and clarify special requirements. Communicated well with the team members to develop an understanding of the day to day life of an Architect. Showed initiative and willingness to take on new challenges. Managed time effectively. I arrived early every day in order to prepare and organise myself for the day ahead.

EDUCATION

- A-Levels:** Theatre Studies, Film Studies and Media Studies, 09/2023
