Work Experience

Summer Employee (Peterson's Market), Yarmouth, MA

June 2018 - August 2021

- Ensured customer satisfaction through high quality and efficient food service that met the requests of customers and standards of the company
- Collaborated with employees throughout the market to ensure that the overall visual presentation of the market was organized, well-maintained and met the expectations of our customers

Belmont Youth Basketball Coach, Belmont, MA

October 2018 - February 2019

- Served as a head coach for the Belmont in-town basketball program for 5th-8th grade boys with limited playing experience.

- First experience of implementing my communication skills in a controlled setting with the goal in mind to teach aspiring athletes the fundamentals of basketball in a manner that would translate to the boys and spark their interest in the game

Belmont High School Basketball Coach, Belmont, MA

November 2020 - February 2021

- Held the responsibility of devising practice plans, assisting the head coach in substitution patterns and in game adjustments, tracking team and individual statistics in both game and practice settings and working individually with all the players.

Community / Volunteer Activities

Habitat Intergenerational Program (Pulling Partners), Belmont, MA *October 2012 - March 2018*

Volunteer

- Participated in a weekly after school program with the Mass Audubon Pulling Partners organization throughout my high school years. Met on a weekly basis and worked outside to control the spread of invasive plants, maintain trails, and look after the sanctuary grounds.
