## Experience

### **Barbizon Modeling & Acting – 2013-2016**

Engaged in learning about new skills regarding modeling, acting, and walking runway. Went on the Passport to Discovery Competition in 2015 and won second runner up in my division in the talent portion for singing. I also participated in recruiting after I graduated from my class in Barbizon from 2016-2018.

**Modeling for Designers:** In February 2023, I was able to model for the Von Sorella clothing line in NYC for the new women's line that came out.

I also have been able to model for photographers across the DMV area – Baltimore, D.C., Maryland, Virginia, NYC, and Mexico City.
