

JACQUELINE MCCARTHY

PERFORMER

Profile

I'm a 14 year old girl. I do dance, gymnastics, and musical theater/acting. I've been doing dance (mainly Chinese and Ballet) for two years, going on three. I started doing gymnastics when I was nine. I had to take a break from lessons because of Covid-19 but I practiced on my own and I am now taking lessons again. My level is Intermediate 2. I've been doing musical theater and acting for three years.
