

JACOBO GUTIERREZ

ASPIRING ACTOR

BIO

Classically trained, played roles from an irresponsible teenager to a na'vi (from an adapted play of Avatar), fluent in English and Spanish; studied and trained from a young age in both school and extracurriculars.

Performed in over 25 different theatrical productions and short films, he has won an award for best male actor in a summer camp for the role of Pinocchio.

He's a hard worker who loves working with other people, who have the same passion he has for acting, film and theater.
