## INTRODUCTION

Being a digital animator is my profession and passion. Through my preparation, I have learned many digital techniques, to work as a team, be a respectful, resilient, flexible, self-driven learner, determined and someone who wants to help to make a real and positive difference in people's lives, contribute to projects that entertain, amuse, and transmit feelings, values, ideas, and proposals, that can prevail and transcend.

## EDUCATION

**THINK TANK TRAINING CENTER VANCOUVER (B, C, CANADA)**  
**Computer Animation, Effects, and Game Design Diploma** 03/ 2023 – 09/ 2023  
· Elevated my skills in a portfolio-production pipeline. Detail-oriented work.  
In 3D animation. Maya and Motion Builder, 2D, 3D, and hand drawing.
