WORK HISTORY

Background Actress • *Ricky Burshell*

As a background actor for the bar scene I was blessed to be in as a seasoned professional with experience in creating authentic atmospheres, The company skillfully blended me into the crowd. I maintained natural reactions and interactions while enhancing the scene's realism. My ability to convey subtle emotions and gestures adds depth to the background, ensuring a convincing and immersive bar ambiance.

Dutch Lady In Clog Prop • *Holland, MI*

In this film role, I skillfully embodies a main character who engages in a distinctive and perhaps unconventional mode of transportation – riding in a clog.

My performance involved seamlessly integrating this unique element into the storyline, showcasing adaptability and a creative approach to character portrayal.

Whether it's a whimsical or symbolic choice, my ability to convey authenticity while riding in the clog adds an intriguing layer to the film's narrative.

Background Actress • *You're Cordially Invited*

As the background actress for the wedding scene, they hired me because I am a talented professional adept at portraying joyous and celebratory emotions. With a keen eye for detail, I seamlessly integrated into the wedding party, radiating genuine happiness and participating in subtle interactions that contribute to the scene's authenticity. My ability to embody the spirit of a joyful guest enhances the overall atmosphere of the wedding scene.

Background Actress • *Zoltar*

I was portraying a parade-goer and I am skilled at exuding enthusiasm and excitement. With a knack for capturing the spirit of celebration, I seamlessly blend into the lively crowd, adding vibrant energy to the scene. My natural expressions and engagement with the festivities contributed to the overall dynamic and festive atmosphere of the parade.

Background Actress • *Back In Action*

As a background actress in the stadium scenes for a soccer game, I brought the electrifying energy of a passionate fan to life. With a keen understanding of the ebb and flow of the game, I seamlessly blended into the diverse crowd, conveying genuine excitement and support for the teams. My ability to synchronize reactions with pivotal moments enhanced

the realism of the stadium atmosphere, contributing to the dynamic backdrop that immerses the audience in the thrill of the match.

Background Actress • *Family Portrait*

I was the background actress in the bar scene with a poisoned man and I portrayed a mix of shock and concern as the dramatic events unfolded.

My convincing reactions added depth to the scene, capturing the tension and mystery surrounding the poisoning incident.

Skillfully integrating into the unfolding plot, I contributed to the suspense and realism, creating a memorable and engaging backdrop for the audience.

Background Actress • *BMF*

In the bistro scene, I elegantly strolled down the charming road, exuding a combination of sophistication and casual grace.

I seamlessly integrated into the bustling bistro ambiance, paired with subtle expressions, adds a touch of authenticity to the setting.

As I navigated the scene, my confident yet natural stride becomes a visual focal point, contributing to the overall atmosphere and capturing the essence of the moment.

Background Actress • *Mea Culpa*

In the restaurant scene, I effortlessly embodied the role of a diner, infusing the setting with a genuine sense of engagement.

Whether engaged in conversation, savoring a meal, or simply enjoying the ambiance, my expressions and natural interactions contribute to the authenticity of the dining experience. Skillfully blending into the narrative, I enhanced the scene's realism and added a layer of relatability to the overall atmosphere of the restaurant.
