

KAYLA MOLINA

STUDENT

I am a strongly dedicated and motivated college student, pursuing a bachelor's degree in biology with a concentration in pre-med, possessing a strong interest in emergency medicine and psychiatry. Known for being hard-working, resilient, and a fast learner, I have a natural curiosity and openness to acquiring new skills and knowledge. I am an extroverted individual who thrives in collaborative environments, always eager to engage in opportunities that align with my passion for helping others and contributing to the medical field.

EXPERIENCE / CERTIFICATIONS

LIFEGUARD

DA Turner YMCA

Aug 2022-Oct 2022

- During my time working as a lifeguard, I learned the technique and skill that came with maintaining a clean, safe pool environment. I managed the chemicals in the pool, checking the chemical levels and measuring chemicals when necessary. I monitored pool guests and enforced necessary pool policies.

HOSTESS

Longhorn Steakhouse

Oct 2022-Oct 2023

- As my first true customer service position, I learned how to speak to customers in a welcoming and effective way. I welcomed guests, as well as seating them according to the seating plan, which strictly outlined which servers were prepared to be sat and when servers had been sat. I cleaned tables to maintain a clean dining area, and answered phone calls regarding the restaurant.

RECEPTIONIST

Barber's Driving School

Mar 2023-Aug 2023

- Working as the receptionist at the driving school required me to know the services and prices, rules and regulations, how to register students, and more. I had to memorize this information thoroughly, so I could perform my job top-notch, enhancing my memorization. I answered phone calls and handled any customers at the front desk, taking payments, as well.
