

KATE LORD

COMMERCIAL/FILM ACTRESS & MODEL

ABOUT

I am an energetic actress who's looking for commercial, film, and video marketing roles as background or featured talent as well as modeling in print, live, and video. I am traveling abroad sporadically, taking in our wonderful world and I've put acting and production on pause, but I'm eager to get back into the industry if there are productions in Spain or anywhere in the EU in need of an English-speaking actress. I am happy to travel back to the States, as well, for the right production.
