**ALH Modeling, LLC, Shreveport-Bossier Louisiana, United States**

### **Trainee/Model, September 2018- February 2019**

Under the coaching of Adreana Harvey-Burton the lead singer/model of “The Adreana Experience,” I studied and practiced the art of posing, runway walking, and female bonding, within an environment conducive for exercise and proper diet, positive body image, and professional industry comportment. Models met at a designated time every week, and worked together under the leadership of the Coach to learn the skills needed to apply to real world modeling situations and shows. Skills were practiced at local modeling shows scheduled by Coach Adreana, and encouragement was given to practice at home.

### **QM SUNSHINE · Freelance, Natchitoches Parish County, Louisiana, United States · Recording Artist, July 2008 - Present**

As a recording artist, I have engineered and created music, both freestyled and pre-written, which can be found on the Soundcloud music platform. The music is an eclectic blend which features sounds from reggae, hip-hop, pop, R&B, and even soulful jazz. Modeling is already an aspect of my platform, which allows me to portray various looks, from the "hood-star" dejected felon to the bright and beautiful "princess-babe."
