EXPERIENCE

Sesame Place, San Diego — *Shallow Water Lifeguard*

June 2023 - August 2023

My job as a shallow water lifeguard was fast-paced and physically demanding, monitoring shallow water areas to guarantee visitor safety. The job requires continuous contact with coworkers to maintain a coordinated response to catastrophes. Sesame Place's fast-paced environment challenges the task, highlighting the significance of cooperation and excellent communication to handle diverse problems. Overall, my job adds to the overall safety and enjoyable experience of water park guests.

Alvaro Avila , Tijuana — *Event Hostess*

August 2022 - May 2023

Álvaro Ávila Master Event Planner - Tijuana B.C. Offered genuine appreciation to every guest for their attendance in whichever event I was working at. Cultivated positive guest relations by managing information and coordinating quick seating. Greeted and seated guests with care taking into account their preferences as well as the needs of the restaurant.

Baby Sitting, San Diego — *Baby Sitter*

May 2022 - August 2023

Since I was thirteen, I've acquired years of experience watching my younger family members. I now have a great ability to communicate and interact with kids and families. My capacity to keep schedules in order with little to no parental oversight has helped parents accomplish their goals and make sure their kids have fun and are safe at the same time.

EDUCATION

Academy of Our Lady of Peace, San Diego —

August 2021 - May 2025

Currently, I am a high school student attending the Academy of Our Lady of Peace. Which shows my dedication to academic success, my educational path. Being a committed student and an enthusiastic participant in extracurricular activities, I am ready to bring my passion and commitment to any career or academic pursuit.
