Digital Content Creator

My name is Celaine, and I am an online content creator. I create entertaining short form and long form videos that are for entertainment, ASMR, beauty, self care, health and wellness. With over 3 million followers on all social media, and 1.5 billion views world wide, I create viral and positive content on all social media platforms. I primarily focus on ASMR videos for relaxation and sleep.

I have collaborated with various types of companies for sponsorships including beauty brands, gaming and tech industries, health and wellness brands, food and lifestyle companies and education. My focus is delivering exceptional video production quality while fostering high engagement rates among my followers.
