WORKING EXPERIENCE

PARASOMNIA

STAND-IN ACTOR/DOUBLE 2024

I worked on an independent horror film as a stand-in for a creature/monster. Hours were spent applying makeup to transform me into the character, and I filled in for him during scenes without dialogue. Additionally, I stood in for him during camera and lighting setups.

PRODUCTION ASSISTANT 2024

I undertook diverse responsibilities such as transporting actors, procuring meals, and running errands for the production team.

CHANDLER FLINT MUSIC

PRODUCTION TEAM 2020-current

I am currently on the production team for emerging Nashville recording artist Chandler Flint, responsible for videography, photography, and production duties during concert days.
