Resourceful and experienced 19D Cavalry Scout with 12 years of military experience, including leadership roles and specialized skills in intelligence gathering, surveillance, and security. Proven track record in conducting reconnaissance missions, implementing security measures, and providing accurate reports. Skilled in team development, conflict management, and problem-solving. Possesses a security clearance and a Class A Driver's license. Proficient in Spanish.

Work Experience

19D Cavalry Scout

U.S. Army-Fort Liberty, NC
March 2012 to May 2024

- Conducted reconnaissance missions to gather intelligence on enemy positions, capabilities, and movements
- Maintained detailed records of mission activities, including maps, photographs, and written reports
- Implemented security measures to protect sensitive information gathered during missions
- Trained new recruits on cavalry scout tactics, techniques, and procedures
- Provided accurate reports on enemy activities, terrain conditions, and potential threats

Section Leader

U.S. Army-Fort Liberty, NC
April 2020 to February 2022

- Led a section of 14 paratroopers (compiled of two teams of 7), providing guidance and support to ensure successful completion of our missions
- Implemented effective communication strategies to foster collaboration and improve team productivity
- Monitored teams performances and provided regular feedback to drive continuous improvement
- Resolved conflicts within the section by facilitating open dialogue and promoting a positive work environment
- Served as a liaison between upper management and the section, effectively communicating goals, objectives, and expectations
- Identified skill gaps within the section and coordinated training sessions to enhance overall capabilities

Security Officer

AlliedBarton Security Services, Inc.-Worcester, MA
April 2011 to March 2012

- Patrolled assigned areas to ensure the safety and security of premises, personnel, and visitors
- Monitored surveillance cameras and alarm systems to detect any suspicious activity or potential threats
- Responded promptly to incidents, emergencies, and alarms, taking appropriate action as necessary
- Maintained accurate records of daily activities including incident reports, shift logs, and visitor logs
- Implemented access control measures by verifying identification credentials for individuals entering restricted areas
- Provided excellent customer service by assisting visitors with directions or information about the facility's policies and procedures
