I am a new to the modeling industry and ready to do what it takes to thrive. Through a recent photo shoot, I discovered a new passion for modeling. My experience level is low, but my ambition is high. From this point forward, I will take every opportunity to grow and progress.

Skills:

- Strong work ethic and self-motivated
- Great communication with a friendly persona
- Punctual with excellent time management
- Adaptable and able to work in various conditions
- Willing to travel (within reason)

My Best Work Experiences in a Nutshell

- Worked as a caregiver for mentally and physically challenged individuals for 10 years
- Found my way into a pharmacy as a tech for 5 years
- Ended up landing work as a case manager working in the mental health field
- Recently started as a social worker for children in foster care
- Discovered a passion and pure enjoyment for modeling

Education

BA English - 2013-2017

Modeling Experience:

- Participated in a photo shoot and modeling assessment at Studio 1 in Nashville, TN on September 28, 2024
- Had a wonderful time and experience with all of the super friendly staff who made me feel like I belonged there
- To be continued...
