----------------------------	-------------------------	-----------

WILLING TO ALTER APPEARANCE, WILL CUT &/OR DYE HAIR. Easy-going and adventurous actor, always eager to take on new challenges and explore diverse roles. My passion for storytelling extends beyond acting into writing, where I continue to hone my creative voice. Whether on set or in rehearsal, I bring a strong work ethic and an open mind, constantly seeking opportunities to grow and learn. I'm excited to collaborate with others who share a love for creativity and exploration.
