

Charlie Woodhouse

Overview

Hi, I'm Charlie, I'm 17 years old and currently studying year 12 at Ivanhoe Grammar School. I am a Melbourne based actor who is experienced in acting, singing, and dancing. I am willing to try new things and not afraid to give something a go, I have been described as confident, energetic, and easy to work with, which has been reflected by my performances onstage. I have worked and received training from many companies across Melbourne and have a strong ability and experience in doing accents such as American, English, Geordie, and Cockney. Music is something that has always been a massive part of my life, as I started playing the drums when I was six years old and have excessive rhythmic ability.
