 - GPA: 4.11
 - Scholars Scholarship
- National Society of Leadership and Success Member
Phi Eta Sigma National Honors Society Member

WORK EXPERIENCE

Optometry Technician | August 2024 – Current

I check patients in and provide forms to fill out. I use machines to read prescriptions on patients' glasses, work directly with patients to get a current reading of their eyes and perform glaucoma test, perform visual field tests, take digital retinal images of patients, and teach insertion and removal of contact lenses. I record and print information from tests performed and organize it for the doctor.

Happy Cakes Cupcakery | 2022-2023

My duties included running the register, customer service, and opening and closing shop. I was responsible for counting the money in the register at the end of each shift, and cleaning and preparing the shop for the next day, as well as maintaining the shop while the owners were gone.

New Mexico Soccer Coach | 2017-2022

I was in charge of a whole team of 5-6 year olds, teaching them skills and how to work as a team. This gave me experience with managing a group of people.

Swim Instructor for the Jewish Community Center | 2017-2022

I was in charge of both large and small groups of children, keeping them safe and teaching them skills in the water.

JCC Lifeguard | 2017-2020

My duties included opening and closing the pool, completing hourly "chem checks" which consisted of running pH tests to verify the pH levels of the pool, ensuring the safety of the patrons, and keeping up with maintenance of the pool equipment.

FILM EXPERIENCE

Duster | 2024

Television show. Background actor for pedestrian scenes and wedding scenes.

Cliffs of Freedom | 2016

Movie. Background dancer in Greek village scene.

VOLUNTEER HISTORY

Greek Festival | 2010-2024

My duties include helping fundraise money for St. George Orthodox Church by dancing in multiple performances and running food lines and booths around the festival.

Award Coordinator of Around the World in 3.2 | 2017-2018

5K fun run/walk fundraiser for the Refugee Well-Being Project. My duties included timing and recording the participants and awarding the winners.

ACCOMPLISHMENTS

Lane Endowed Scholarship Recipient | 2023-2024

UNM scholarship supporting female scientific undergraduates pursuing a research project. I worked as a research tech under Dr. Christina Salas.

HOBBIES

Porcelain Ceramics

Painting and Drawing

Club Soccer

Snow Skiing

Water Skiing
