SKILLS

- Premiere Pro Video Editing
- Final Draft
- Screenwriting
- Directing
- Communication
- Collaboration
- Video Camera Operation

SUMMARY/OBJECTIVE

I am seeking a creative internship in the film industry where I can further hone my skills in these areas: Directing, screenwriting, cinematography. I offer a young creative perspective fueled by current projects I wish to make and a hardworking resilient attitude developed by past projects films I have made, having been featured in the Hofstra Undergraduate Creative Showcase and Hofstra Student Film Festival. I am currently a student at Hofstra University, studying to get a Major in Filmmaking and Minor in Creative Writing.

WORK EXPERIENCE

Best Buy

Geek Squad Consultation Agent, Manchester, CT (June 2024 - Present)

- Assisted clients with a manner of technological problems, including but not limited to software repair, hardware fixes, and educational sessions.
- Communicated with team members constantly in order to efficiently fulfill clients needs.
- Tested and categorized many tech products to ensure they functioned properly and were sent back to the retail floor.
- Handled, filled out, and filed paperwork containing sensitive client information throughout each workday.

ICode

Teacher, Manchester, CT (May 2023 - June 2024)

- Taught kids and adolescents how to code, program, take photographs, create films, etc. in a classroom setting.
- Students left with both an artistic product and greater understanding of the material taught to them.
- Led classrooms and worked with a team of other teachers/helpers to properly educate students.
