WORK EXPERIENCE:

Ernst & Young, Boston, MA

May 2023 – August 2023

Enterprise Risk Consulting Intern

- Assisted clients in designing and implementing risk management and internal control strategies to mitigate strategic, financial, operational, and compliance risks.
- Evaluated and assessed client operations to identify potential issues, performing root cause analysis and providing recommendations for remediation.

BerryDunn, Portland, ME

May 2022 – August 2022

State Government Consulting Intern

- Participated in staff/team meetings and training and worked effectively as a team player on multiple client projects.
- Worked with the State of Vermont to identify current issues present in the state's school district's payroll and accounting systems.
- Assisted the State of Oregon's Enterprise Information Services division in creating the vision for the group's strategic framework and key service catalogs.

Father Bill's & MainSpring, Brockton, MA

September 2021 – December 2021

Resource Development Intern

- Assisted in updating and improving the South Shore Continuum of Care website, which connects individuals at risk of homelessness, with important emergency, housing, and social service resources.
- Researched prospective organizations that could partner with Father Bill's and MainSpring and created a tool that tracked the contact information of these potential partner organizations.

Dell Technologies, Services, Hopkinton, MA

May 2021 – August 2021

Global Business Operations Intern

- Engaged in various roles that embody project management and internal consultative work.
- Examined methods and areas to automate repetitive tasks in Salesforce to increase operational efficiency among Dell's project managers.
- Met with stakeholders who varied all across the company, acquiring perspectives on operational inefficiencies.

LEADERSHIP EXPERIENCE:

Bentley University Service-Learning and Civic Engagement Center, Waltham MA

January 2021 – May 2024

Student Director

- Oversee over 800 volunteers who support over 50 community partner organization programs in the Greater Waltham area.
- Manage over 120 Project Managers by facilitating trainings, keeping constant communication, and promoting innovation.
- Lead 26 committee members working across 7 functional areas to improve the overall efficiency of the BSLCE.

Lead Program Manager

- Guided and empowered middle school students to achieve success in academic and extracurricular activities such as homework, reading, and recreation.
- Led a group of Bentley students to create learning opportunities that engage middle school children at the Hanscom Air Force Base Middle School.

Program Manager

- Connected undergraduate Bentley students with 4th-grade ESL students, assisting the children in improving upon their ability to read and speak English.
- Manage Bentley student volunteer schedules, participation, and transportation.

Bentley University Student Affairs, Waltham MA January 2021 – May 2024
Diversity, Equity & Inclusion Student Consultant

- Interact with faculty members and numerous university departments to influence systematic change relating to furthering equity and inclusion on campus.
- Engage in meaningful conversations surrounding discrimination, systematic racism, gender identity, and implicit bias.

Bentley University Entrepreneurship Society, Waltham MA May 2022 – May 2024
President, Senior Advisor, Treasurer

- Presided over E-Board meetings, facilitating conversation and structuring action items.
- Planned and executed club events, such as the annual elevator pitch and Shark Tank competitions.
- Played a significant role in creating the very first Bentley Startup Fair, where over 30 students shared their business startups with the Bentley community.

Bentley University Nonprofit Society, Waltham MA November 2023 – Present
Senior Advisor

- Lend experience and knowledge to assist the organization in planning and executing campus-wide events

OTHER EXPERIENCE:

A Running Passion, Biddeford ME September 2023 – Present
Nonprofit Board Member

- Attend monthly board meetings, providing a college student/former high school athlete perspective.
- Help to push information through various social media channels and create meaningful relationships among former scholarship recipients that lead to future engagement with A Running Passion.

Bentley University Office of International Education, Waltham MA September 2023 – May 2024
Study Abroad Peer Advisor

- Act as student liaison to educate the Bentley University community about international opportunities.
- Assist in planning and executing campus-wide events throughout the academic year.

Dairy Queen June 2016 – August 2023
Assistant Manager (Seasonal)

- Worked alongside owners to operate a successful Dairy Queen franchise.
- Trained new employees each summer, emphasizing the importance of quality customer service and following all food safety protocols.
- Manage product inventory on a weekly basis, identifying what products need to be ordered.

Alan Casavant Mayoral Campaign, Biddeford ME September 2021 – November 2021
Re-election Campaign Team Member

- Supported the incumbent mayor of Biddeford, Maine in capturing the young adult vote in the 2021 mayoral election.
- Attended weekly meetings providing updates and voicing concerns in regard to the upcoming election.
- Created digital campaign posters that gave information regarding how to request absentee ballots.

Bentley University Student Government Association, Waltham MA September 2021 – May 2022
Senator

- Worked to better the university environment for all students by collaborating with the student body and Bentley University administration.
- Applied first-hand knowledge to determine how I believed organizations on campus could improve the services they supplied to Bentley students.
