Bachelor of Science, Biomedical Engineering (Major), Music (Minor)
UNIVERSITY OF CALIFORNIA

Davis, CA | Aug 2020

WORK EXPERIENCE

LAGUNA NIGUEL SCHOOL OF MUSIC | PRIVATE TEACHER Laguna Niguel, CA | April 2023 - August 2024

- Work with students of all ages and ability on the fundamentals of music, practice, and creativity
- Develop individualized curriculum for each student to challenge and track their progress

PEET'S COFFEE | BARISTA Aliso Viejo, CA | May 2023 - April 2024

- Meet customer demands and maintain a rapid and efficient workflow between other baristas
- Maintain a clean and organized workspace and storeroom and report anomalies to managers

QUEST DIAGNOSTICS | QMS PROJECT MANAGER San Juan Capistrano, CA | July 2022 - May 2023

- Oversee projects across all esoteric labs ranging from auto-chemistry, immunology, and molecular genetics
- Adapt to changes in schedule based on feedback from lab scientists on the feasibility of project deadlines

INVOY | DEVICE SPECIALIST Irvine, CA | Oct 2020 - July 2021

- Designed and organized 3 studies to validate and verify device prototype capabilities
- Triage and investigated over 2,000 client issues to improve the device and user experience

CENTER FOR LEADERSHIP LEARNING | PEER EDUCATOR Davis, CA | Sep 2019 - Aug 2020

- Developed 3 engaging workshops about communication, diversity, and group development
- Hosted 2 workshops per week to a diverse student body, staff, and faculty

MASIMO | QUALITY ENGINEERING INTERN Irvine, CA | Jun 2019 - Sep 2019

- Analyzed post-market customer complaint and failure analysis data to present to the engineering and research management teams
- Assisted in creating and maintaining database of all past and present projects

PROJECTS

VIDEO GAME ORCHESTRA AT UC DAVIS | FOUNDER Davis, CA | Sep 2017 - June 2020

- Started with 9 string players, grew to a symphonic orchestra of over 80 musicians
- Hosted 3 concerts per year and managed everything from arrangements to finances
- Transitioned our content to online performances and began audio-editing for online debuts

"HELLO" SHORT FILM | COMPOSER Davis, CA | Jan 2020 - June 2020

- Composed a 5-minute piano piece for a student film inspired by La La Land
- Collaborated with producers and actors to fine-tune the mood of the music and critical timings

UC DAVIS GAME JAM | SOUND DESIGNER Davis, CA | Feb 2019

- Produced audio assets such as sound effects and short compositions for game developers
