Hello there! I'm a poetic little dude who normally resides in the Catskill Mountains, from where I've self-released two albums and am known for playing Pepper in "Mamma Mia!" at The Phoenicia Playhouse (2018). I also recently co-recorded the audiobook for "A Million Quiet Revolutions" by Robin Gow, a prose love story between two trans boys who name themselves after two trans Revolutionary War soldiers. When I'm not onstage, I'm hosting "Gender Blender" - an LGBTQ-centric radio show of my own creation.
