High School Plays

Role of Persephone–[A Story in Greece]

Portrayed Persephone, the queen of the underworld, in an imagined Greek mythology story. Depicted the character torn between her duties and a deep longing to explore the world and for freedom, a modern twist to the classic myth.

Juliet–[Romeo and Juliet] (Comedic Hispanic Adaptation)

Played Juliet in a comedic, culturally reimagined version of Shakespeare’s classic. Blending the traditional themes with a Hispanic cultural context and maintaining the emotional depth of the character.

Church Plays

Role of Esther–[Esther Bible Story Reenactment]

Role of Sofia–[Our Generation]

Portrayed Sofia, a teenager with common "sins" of gluttony, laziness, and idolatry through a modern lens. A role that explored the struggles of modern youth and the moral challenges they face.
