PROFESSIONAL EXPERIENCE

Speech-Language Pathologist, M.S., CCC-SLP- Columbus Therapy Associates, LLC

January 2018 - Present

- Provide comprehensive evaluations as well as individual and small group treatment *both virtually and in person* for clients / students of all ages (early intervention- adult) and varying diagnosis at the private therapy clinic and clients' homes.
- SLP at several charter and private schools in the greater Columbus area with case-loads ranging from 15-30 students and act as case-manager to schedule, organize, and implement ETRs and IEPs.
- Document daily notes, plan of care reports, progress reports, evaluation reports, discharge reports, as well IEPs and ETRs
- Educate and collaborate with other professionals and families to best serve a client's/student's individual needs
- Maintain ongoing Continuing Education Units specifically for child-based language, articulation, and phonological related disorders to stay up to date with the most current and evidence based research / practices.

Speech-Language Pathologist, M.S., CCC- SLP- Pediatric Therapy Partners, LLC

October 2016 – January 2018

- Worked in a sensory rich environment specializing in sensory integration, sensory processing disorders, and selfregulation by utilizing movement and play to help children organize their body and more readily access speech and language skills
- Co-led early intervention groups alongside occupational therapists consisting of 3-5 children and actively participating caregivers
- Collaborated with occupational therapists to plan and co-treat clients for approximately 1/3 of caseload.
- Conducted evaluations and provided speech-language therapy in the clinic and home setting for clients ranging in diagnosis and ages (birth-3/school age)
- Educated and worked in conjunction with parents and others involved in a client's life to promote optimal progress
