Kyra Birks

Dancer/Choreographer

Entertainer, Entrepreneur, and San Francisco City Native, **Kyra Birks** continues to make the world a better place through her creative work and love for people. She began dancing professionally at age 16 and since then has danced all over the country! Her credits include working alongside Snoop Dogg, E-40, and many more. Training is a must for her and she always trains at PLAYGROUND LA, Dynamic Duo, and Millennium Dance Complex.

With the knowledge and experience she gained as a performer, Kyra owns her own Dance Studio in Fremont, CA, created a flourishing Dance Company and started her own Dance Tour which has taken her to Los Angeles, New York, Nashville, Hawaii and Belize with more tours slated. She has also choreographed and danced for some amazing artists like Kam Krzy, GetItDmac, NyNy, and Chanel Monique. Her most recent work includes being a dancer for the 2024 GAP Linen Moves Campaign. As a contributing choreographer her work can be seen in DAM Events featuring Paradise Dance Company and in the Paradise Dance Studio Showcases she puts on every year at her Alma Mater Cal State University, East Bay.

Alongside Kyra's flourishing entertainment career, she has a strong drive to provide a safe space for dancers to move and express themselves. Through coaching her dance company, to teaching weekly dance classes to her students, she is helping dancers build confidence and inspiring others to pursue their own dreams. From goal setting to leadership, Kyra gives amazing advice and provides others with tools to succeed in this evolving world. She has helped hundreds of people heal and find joy through dancing. You don't wanna miss any classes or shows she puts on next!
