

DANIELLE BURSEY

PROFESSIONAL DANCER

PERSONAL PROFILE

I started dancing at the age of 7 as a studio dancer. After several years being a part of that community, I switched over to being on the dance line through my high school. After graduating in 2016, I took a few years off of dance until the early months of 2021, when I found adult studios to attend.

SKILLS & ABILITIES

- Hip-Hop
- Heels
- High Kick
- Jazz
