- Elected as Captain; 2nd all time in the 400m Dash

Swimming, Fork Union Military Academy (1 year)

- Went to State (VISAA) during Freshman year

Professional Development

LEAP Summer Leadership Program (scholarship)

Attended the prestigious LEAP summer program where I gained invaluable networking and leadership skills. During the week-long event, I had the opportunity to connect with CEOs, advisors, consultants, and private real estate agents, fostering relationships with industry leaders. I dined with Lisa Scaffidi, the three-time mayor of Perth, and met actor Rick Cosnett. I also had lunch with Dr. Bill Dorfman and engaged in insightful discussions with Forbes Riley about crafting effective sales pitches. Through various workshops, I honed my public speaking skills and learned strategies for delivering impactful speeches. This experience significantly enhanced my business acumen and professional network.
