I was chosen for various parts, such as a protestor, a minister and a juror, etc. I did voice-over work on the anime video "Yuki's Alphabet Adventure", as the character "Puzz" the wise sage. In addition, I've done plays as part of "Johns Hopkins Theater Barn" in Baltimore, MD. Lastly, I've done voice-over/DJ work in the USAF at Travis AFB on the previous "Armed Forces Radio" channel. Currently, I am doing freelance voiceover work using a variety of styles on various projects.
