## EXPERIENCE

### **Hope Christian School, Birmingham** — *Student Sponsor High School Theatre*

August 2021 - PRESENT

While in high school, I volunteered to be our theatre club's student sponsor. This included responsibilities like script-proofing, coordinating and directing the students, creating lesson plans, and making announcements via Spaces. I took a year break in 2022 before resuming in 2023.

### **Hope Christian School, Birmingham** — *Yearbook Editor*

August 2020 - PRESENT

I joined the yearbook staff at my school starting in the 8th grade. While on the yearbook staff, I have learned marketing skills, graphic designing, teamwork, communication, and photography. I use these skills to create an engaging book for the students and parents.

During my junior and senior years, I have also been responsible for our school newsletter each month. In this newsletter, I create an aesthetic and informative design for our parents and students.

### **Riverchase Community Church, Riverchase** — *Worship Team Member*

May 2023 - November 2023

On Thursdays and Sundays, I would play bass for my community church. I also volunteered my time for special events being held by the church by helping set up/take down events, as well as putting on dinners on Wednesday nights.

### **Kenneth Pascal Campaigning, Pelham** — *Campaign Member*

August 2021 - December 2023

During his election for State Representative, I would go door-to-door with others to inform the public about Mr. Pascal's campaign. I also help decorate and man his Christmas float every year to promote him further.

## SKILLS

- Good communication skills
- Quick learner
- Adaptable
- Hard-working
- Leadership skills
- Graphic design
- Collaboration
- Computer literacy
- Writing
- Problem solving

## ASPIRATIONS

I hope to intern with a movie studio to learn how to make and direct movies, as well as the production process.

I am looking to build up my movie-making portfolio.

One day I hope to direct my own works in a studio.

## ACHIEVEMENTS

**Class President.** I have held the title of class president for four years.

## EDUCATION

**Hope Christian School, 2053 Old Montgomery Hwy,  
Birmingham, AL 35244 — *Advanced Academic Diploma***

August 2020 - May 2025

I am homeschooled and attend Hope Christian School to receive my middle and high school education. Hope Christian is an accredited homeschooling program, and I will graduate from it and receive an advanced academic diploma in May 2025.
