## About Me

I was born on December 20th, 2007 in Buenos Aires, Argentina.

When I was 8 I moved to United States Dallas, Texas and lived there for 8 years;

Now I have moved again and I live in Glenwood Springs, Colorado.

I am bilingual and speak both languages English and Spanish perfectly.

My favorite genre is Dystopian: The Hunger Games, ect.

I’m willing to learn and try new things, and I feel good about being corrected, I can improvise, and be in the moment.

I like to perform my own stunts, most of the time, because it really makes you connect more with your character and what they are going through.

I’m very passionate about film, and I have always volunteered to be in any film or play.
