

## Hello

# I'm Nathan Biglefthand

27D Cherry street  
Colstrip, MT 59323  
(406) 749-0102  
Nathanblh06@gmail.com

## Skills

I adapt to the situations given. I do well in waiter settings. I do accents and voices giving others the opportunity to open up. I draw and use what I know to help others. With the given chance, I will work hard and long. I am good with working with others, whether it be group work or individual work. I can also expand my knowledge and abilities if needed.

## Experience

April 2021 - PRESENT

### **Free lance, Colstrip** - *yard worker*

- Usually cleaned waste and helped in the yards of others
- Picking up objects if needed.
- Stuck around for extra work and to make sure the job was finished.

July 2024 - August 2024

### **Summer job, Wyola Montana** - *Cleaner*

- Started off with cleaning the roads of the town.
- Made sure the garbage and yards were in good shape and handled well.
- Did highway turnoff cleaning and helped the elderly.

December, 2024 and Januar, 2025

### **Yellowstone kelly's catering, colstrip** - *Waiter*

- Helped set up the event, spending most of the time to make sure everything was good enough to pass inspection.
- Made sure Clients were satisfied and would help others when called upon.
- During clean up I would stay longer to make sure everything was put away correctly and made sure any garbage was thrown away. We made sure the company was satisfied with our work and improved on challenged areas right away and given the chance we would make sure we are all accounted for.

## Education

August, 2024 - May, 2025

### **Colstrip High School, Colstrip** - *High School diploma*

I attended Colstrip highschool with the intent of Graduating, though my grades were decent. I am a hard worker. Giving my all to make sure things would be finished. Working hard during and after school during the tutoring after school program, I made sure work was looking better and finished.
