EXPERIENCE

In The Heights, Bristol Riverside Theater— *Ensemble*

(STARTING FEB 2025 - APR 2025)

Big!, Bristol Riverside Theater— *Cynthia Benson, Junior Dance Captain, Ensemble*

FEB 2024 - APR 2024

My first professional production and it was challenging having to adapt to a professional atmosphere after being in high school productions this whole time. I definitely felt challenged with my skills and pushed to be better and I feel as though with this opportunity I came out a better and more confident performer than I was when I went in.

“One of the standouts is Shannon Sharpe, who appears in several guises and costumes and commands attention without pulling focus. Sharpe also does well as the more mature girl on whom Josh, age 13, has a crush” Neal Zoren 2024

NOV 2022 - FEB 2023

In my senior year I got to play such a fun character. I loved having the creativity to make her stand out even though she didn't show up that much (because she is a wardrobe) I still got the chance to make her moments memorable and also to sing high notes all the time.

Junior year things were getting back to normal and we decided to start the year off with a BANG with the famous show Grease. I was casted as an understudy for Frenchy, main dancer and lead ensemble.
