- Martial Arts, Judo
- Volleyball
- Swimming
- Singing (Soprano, musical theatre) and dancing

About Me

- My passion for storytelling began with movies that made me feel seen, inspired, and less alone.

As a self-taught actor, I've spent years honing my skills by practicing monologues, creating self-tapes, and visualizing how I would embody characters from my favorite films. I've also performed in high school theater productions, which sparked my love for connecting with audiences.

Education

BA in Psychology

2024-2028

California State University, Los Angeles

Work Experience/ Training

CSULA acting course

2024 - currently

TA 1410

- Beginner acting course covering basic skills like scene study, character building, and performance techniques.

High School Theater

2012-2018

Various Performances

1. *Lead* – **A Padeira de Aljubarrota**

Played the main character role in a historical homage (Battle of Aljubarrota) , embodying cultural significance.

2. *Ensemble* – **Christmas Plays**

Performed in original Christmas plays created by teachers, in each year.

3. *Supporting* – **Middle School Productions**

Acted in multiple plays designed for middle school children, created by teachers and my classmates, honing improvisational skills and engaging with younger audiences.
