Huge shout out to the team at Nova Music Theatre for their production of Oliver.
The set and costumes were wonderful and a genius casting of Daniel Cooper as Bumble and Gabi Bergman as Widow Corney who were just a joy to watch. Another huge shout out to Ryan Purdy who was a brilliant Fagin both in look and characterization - his scenes were a delight and he looked perfect! Both him and Coops had such brilliant connection to their characters.
Little Anthea in the children's chorus was a scene stealer and simply gorgeous on stage - what a bundle of energy!
They have one show left this afternoon! Get along if you can.

"School of Rock", July 2024

Anthea Ellis is a rocker of a performer! With a big personality and a family full of musicians it is not hard to see that her home is in performing arts.

Anthea has a background in calisthenics, jazz and tap, musical theatre, gymnastics and tumbling and trampolining. Her stage credits include Nipper in Oliver and Mike Teavee in The Wonderful World of Wonka. She can't wait to perform speciality acts in the upcoming Victorian State School Spectacular and will have you completely WOWed when you see her in SCHOOL OF ROCK as Shonelle. See her at the David Williamson Theatre, Melbourne Polytechnic in Prahran for performances from the 3rd to the 6th of July these school holidays!
