

# Brooke Bevers

Video Editor (2016 - Current)

## EXPERIENCE

### 10K Projects — *Video Editor/Motion Graphic Designer*

May 2023 - PRESENT.

Freelance Video Editor and Motion Graphics Designer for Independent label 10K Projects.

- Edited music videos, promotional clips, social media content, and other video materials. Designed and animated motion graphics, including lyric videos, visualizers, and promotional graphics, to support our artists' releases. I Assembled raw footage, sound designed, color graded, and animated.

### Stept Studios — *Video Editor*

December 2021 - March 2022

Freelance Video Editor, Sound Designer for a Creative Production company.

- Collaborated with directors, producers, and other team members to edit video content for commercials and campaigns, ensuring high-quality and impactful results. I Designed and implemented soundscapes, including sound effects, dialogue editing, and music integration, to enhance the overall audiovisual experience. Assembled raw footage, selected the best shots, and created seamless transitions to craft a cohesive and engaging narrative. Implemented color correction, grading, and visual effects to ensure a cohesive and professional final product.

### Black Love — *Video Editor/Graphic Designer*

August 2019 - March 2020

Video Editor for a TV series.

- Collaborated with the production team to edit video content for the web series, ensuring high-quality output that aligns with the Black Love brand. Designed engaging and visually appealing graphics, including title sequences, lower thirds, and motion graphics, to enhance the video content. Assembled raw footage, select appropriate shots, and create seamless transitions to tell a compelling story. Worked closely
